## HOA Updates:

It has been a crazy year, one for the history books and it is not over yet. A lot of the events that we looked forward to planning had to be put off until everyone feels safe to come together as a community again. It's hard to say when you don't have an answer, but right now, there isn't much to update, other than that a new board has been elected and we are working to move forward for our community. Your input is always welcome and wanted. Please join us during our online meetings for the latest in events and HOA business. -Steph

### Issue 5 Highlighted Bylaw-

Trashcans must be stored behind a fence or in a garage. They cannot be seen from the street. Please help us bring the pride back to Prides Crossing.

## Important Events:

### Board Meetings:

Due to ongoing Covid19 restrictions, monthly board meetings are held on the 2<sup>nd</sup> Thursday of the month via Zoom. Links will be posted on the HOA website.

## A letter from Your Board:

Hello, I am Karen Wilson, and I am the new President of your HOA. I have lived in Prides Crossing for 29 years and this is my second term on the HOA. I work as an RN at Parker Adventist Hospital. I am the single mom of two daughters, Susan is 21 and a senior at CSU and Emma is a junior at Grandview High School. The goal of the HOA is to be transparent so please let us know if you have any issue or concerns you would like us to review. We are looking for volunteers to assist on various committees.
